NEEDHAM BROUGHTON HIGH
SCHOOL 1929-1969

by

CARL FREEDMAN

Introduction

From the mundane horror of the Great
Depression

To the Kafka horror of Vietnam:

Forty years of national crisis, more
often than not filtering down

To a place originally (and ineptly)
yclept

The New High School of West Raleigh;

Today no longer the little red school
house

But a living, breathing institution

With all the prestige, red tape, gran-
deur, mistakes, history, memory, and
—through the dark—the occasional
glory

Of an institution.

1798 Enroll as Broughton Begins 40th Year; Sanderson High Shares Same Roof

Steve Aldret

New Principal

Needham B. Broughton opened for the 1968-1969 year with an enrollment of 1,798. There are 580 Seniors, 616 Juniors, 635 Sophomores, and 39 special education students. The drop in enrollment is caused by the new high school, Sanderson.

Confusion reigns at Broughton High School this fall, and for a good reason: Two schools are sharing the same roof.

Because of Sanderson High School's late finishing, it was necessary to allow those students who will attend Sanderson make use of the Broughton's facilities.

The girls gym was made into temporary classrooms over the summer. These classrooms are similar to those in the auditorium which were built last year. In addition, several trailers have been provided for Sanderson's use.

The parking lot, too, has been affected by the overcrowding. Broughton students have been forced to give up their spaces for Sanderson teachers. Thus, the number of students owning spaces is smaller than last year.

The library at Broughton also lends its facilities to Sanderson students. Therefore, books become quite scarce when over three thousand people have access to them. Also shared is the P.A. system, the book shelves, and the playing fields.

The best example of the confusion can probably be seen at the lunch periods. A little over a thousand people eating lunch at the same time is quite hectic. The Cafeteria staff manages to feed them all.

Through all this, however, the two schools have cooperated excellently with each other, and until Sanderson opens later this year, Broughton will remain crowded but still livable.

ASTRONAUTS BACK SAFELY FROM MOON; SPLASH DOWN 4 MILES FROM CARRIER; A LUNAR LANDING IN SUMMER POSSIBLE

Needham B. Broughton

Part One—1929

What can a year like that mean to us?

We read about it in the history books;

Our parents were children then.

But on the edge of a place named Cameron Forest

On a ten-acre lot off Saint Mary's Street

The design of William Henley Dietrick

Had already made itself known:

A quasi-Renaissance kind of style that remained
intact for quite a while,

And the state's only school with, of all things, a
clock tower.

As we from such recent memory know

Contractors tend toward the slow

So one Day (the third of September of '29)

The bill of complaints was rather long.

The sounds of construction assaulted the ears;

The smell of paint assaulted the nose;

No books, no desks, no chairs around;

No tiles on the floor, the grounds still a jungle;

And even the gem missing from the setting:

The tower had no clock.

But one is given to understand

That things were taken pretty much in stride:

There *was* a graduation in 1930.

And in the context of financial chaos, millions out
of work, soup kitchens, bread lines, and a Latin
scholar named Herbert Hoover,

The school got a name—a real one.

Quoth C. B. Edwards, businessman:

"I respectfully suggest that it be named the
Broughton High School for Needham B. Broughton,
who served on the school committee for many years
and who did faithfully work as long as he was on
it. I know him and associated with him in boyhood
and was in business with him for about forty years.
I do not think there is a man in Raleigh who helped
more young people and did more for the upbuilding
of our city and its public institutions according to
his means."

The path was long, sometimes narrow, rocky . . . at times we lost sight of the trodden way, tried shortcuts . . . now at the end of twelve years travel, we find still another road which forks endlessly in all directions . . . which way to go? . . . memories draw us backwards . . . thoughts of the first time we marched into assembly, of Homecoming parades, Barbeque Dinners, of Thanksgiving holidays, Snowball Dances, the new student lounge, exams, Queen of Hearts . . . then colleges sent letters . . . are we accepted or rejected? . . . which way to go? . . . what comes next? . . . now after measured for caps and gowns, after sending invitations, after traveling twelve years down an unfamiliar path . . . that long awaited day arrives . . . we smile through our tears knowing full well we say goodbye to many friends never to see them again . . . to college . . . to work . . . to the war . . . a new dawn brings a new path to follow . . . which way to go?

Juniors

Discovery, indecision . . . who am I? . . . what do I want of me? . . . they tell me of Emerson, of Thoreau, and Melville . . . learn of the evil in the world they say, but thoughts of waxing bleachers, PSAT, of winning Junior-Senior Olympics, of the first snowfall, of strawberry ice cream in the cafeteria, and a juke box in the student lounge . . . these thoughts crowd out Emerson, crowd out P. 1 and P. 2 . . . who am I? . . . the inbetween, not quite old enough yet too old . . . the impatience, show me what the world offers . . . let me become what I am . . . but, who am I? . . . what do I want of me?

Eager, aware . . . here we are Broughton High School! Here we are! . . . We learned the Alma Mater word for word . . . we sold a thousand candy bars, dissected frogs, stood for Seniors in assembly . . . are we part now? . . . Do we belong? . . . The pressure of high school broke some like the shattering of thin glass . . . we panicked but passed the two hour exams . . . we passed Driver's Ed, too . . . we went to games and joined everything there was to join . . . are we a part now? . . . Do we belong?

WELCOME CLASS OF 1971

The new man

Greetings From Principal Norton

The summer vacation is over, and a new school year is beginning. I hope the summer has been good, and that it has been a rewarding one for you.

As you return to Broughton for the school year 1968-1969 you should strive to make it the best year you have had by participating in as many of the school functions as possible and working to prepare yourself for the future.

This is the fortieth year of operation for Broughton, and each year has seen the school improve in attempting to give each student what he needs for the future. A school is what the student body makes it, and it is up to you to make this the best year yet for Broughton because **YOU ARE BROUGHTON.**

There are many opportunities for you to participate in the life of this

Changes Made Around Broughton

Many changes have taken place at Broughton during the summer months. There are 15 cement benches placed around our campus. These benches were left to us by the Class of 1968. They will come in handy for relaxing on sunny days during lunch period.

Also, thanks to the Class of 1968, the boy's gym has a name. The letters "Holliday Gymnasium" honoring former principal Holliday were placed on the front of the building in June.

The painters have been very busy. The first and third floors were completely repainted. Many of the classrooms were repainted. And last, new purple lines were painted on the gym floor. The Safety Committee took over the job of repainting the parking spaces.

The rough places in the sidewalks have been repaired. A new sidewalk extends from the back parking lot to the teacher's lounge.

A new floor section has been laid in the front hall. The section is the seal of Broughton and adds much dignity to the front entrance.

school and to give of yourself while you prepare for the future; but remember, you will make the year what it is.

To the Sophomores, "Welcome to Broughton." Participate in as many school activities as possible, and at the same time start building a good high school record.

To the Juniors and Seniors, "Welcome Back." The leadership of the school is on your shoulders and I trust you will accept this challenge with eagerness.

Best wishes for an excellent year!

Routine maintenance such as varnishing and fixing doorknobs has continued all summer.

There are many new faces on the staff. Mr. Norton, our new principal, has been active all summer. He is expecting 13 new teachers on the staff. Mr. Long, now assistant principal, has been on hand to help Mr. Norton.

The cheerleaders have a new sponsor. Mrs. Carter has taken Mrs. Baker's place.

Many plans are being made. One plan that will interest everyone concerns the cafeteria annex. It is hoped that the annex can be converted into a student centered area. In other words, we may finally get that long-awaited and badly needed student lounge. The Student CO-OPERATIVE Committee is planning to provide games and other activities for the students during lunch periods.

Other plans are being made to eventually remove all the trailers from the front lawn. The temporary classrooms in the auditorium, however, will remain another year.

If the cafeteria annex express line is not needed, the school store committee hopes to take it over. They will then close the store in the basement, and all supplies will be sold in the cafeteria. The counter will serve as a fabulous display counter.

And last, but not least, a new hot water boiler has been installed in the main building for our comfort on those cold winter days when everyone is wishing it would snow.

Due to the hard work of many people, Broughton is again ready to welcome back her student body. Sophomores may not recognize the changes in Broughton. But they, like everyone else, can look forward to the best school year ever!

From the President-Buddy Jenrette

I would like to take this opportunity to welcome you all to Broughton High School. Those students who have been at Broughton before know what a fine school we have. Those of you who are new to Broughton this year will find that we have one of the truly finest high schools in the entire South.

Broughton offers many organizations that are of a wide variety. I would encourage you to investigate these and find one that is of a particular interest to you and then join this club. This is a really grand opportunity for you to get involved in the extra curricular life at Broughton as well as to increase your knowledge in a particular area outside the classroom. Serving on a student council committee is a very good means of service to your school that I hope you will find some interest in. But if you are not on a committee and still want to serve, there are surely many other ways to serve. There are dances to work on, candy to sell, class dinner tickets to sell, class service projects to work on, and many other ways to serve. The main point is to get involved; it will surely aid in making your school life much more enjoyable and memorable.

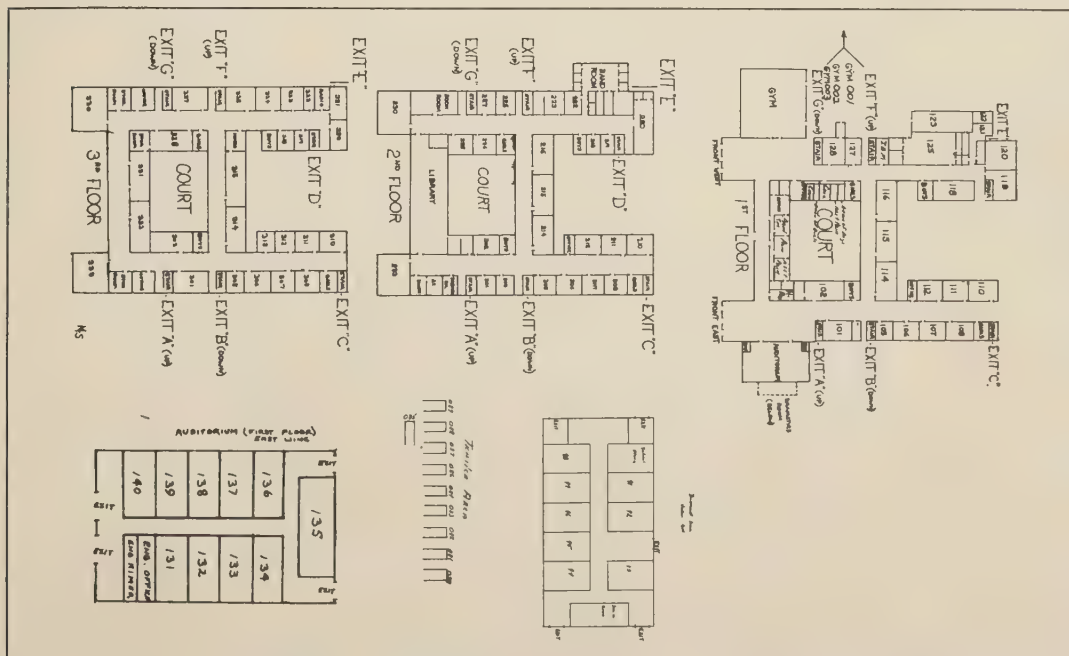

Your student council chairmen and committee members have put in a tremendous amount of work this summer to make the school year a little more enjoyable for the entire student body. We have considered various suggestions and have initiated some new ideas that we will be making aware to you in the next few weeks. We are always open for your suggestions and I hope that you will feel free to bring them to me or any other member of the council. I'll be around the office area most every morning before school and during first period and will always be delighted to talk with you.

School Store Is Open

The signs read "Support Your School Store." Broughton's School Store serves the student in two ways, making it truly your store. First, the School Store provides a convenient, economical place to buy school supplies. The store is open both before school and during the three lunch periods, with prices generally below retail. Second, because the School Store is the Broughton Student Council's chief money-making organization, the profits returned to the Council benefit every student through better dances, an active Student Council, and the best Homecoming yet. Do something for yourself soon. Follow the directional signs to the Broughton School Store in the cafeteria.

FIGHT SONG

Cheer Broughton High School
Broughton must win
Fight to the finish
Never give in (Rah, Rah, Rah)
You do your best, boys
We'll do the rest, boys
Fight on to victory
Rah! Rah! Rah!

Needham B. Broughton Part Two—The Interim

Forty years is a very long time
For little as well as for great events:
While FDR was saving the nation,
John Phillip Sousa directed the Broughton band!
While Hitler's troops marched through the Saarland,
Broughton won first place in major sports!
And in the tragic year of '39
Broughton got its first motion picture machine.
The New Deal and the War are over now,
But Broughton remains well-stocked
With bands, sports teams, and quite a few motion
picture machines.
Yes, time marched on
With the gradual becoming of an institution:
A Little Theatre one year, a *Winged Words* another;
The Morson-Broughton athletic pool;
And—to prove it all was worth it—
Now a Bill Poteat, then a Reynolds Price.
A young school in a younger nation:
Let us enjoy what history we have.

Air Force Junior R. O. T. C.

Established in 1966 this marks the third year of Air Force Junior R.O.T.C. (Reserve Officer Training Corps) at Broughton. Broughton was one of the twenty original schools in the county selected to receive this program which will eventually include 275 schools. Students completing the course will have their first year of R.O.T.C. waived in College or may enlist in any branch of the Armed Forces with one stripe. Broughton's Cadet Corp numbering over 100 attends class three days a week and drill. They have conducted tours of Pope and Seymour Johnson Air Force Bases. The instructor is Lt. Col. Stephen L. Rozakis assisted by S.M. Sgt. Leroy T. Eure.

Part Three—1969

On that last day of the previous year,
When a thundering shot from a hotel kitchen
Mocked Charley Hick's sentimental speech,
Few knew what would come—for the nation or
Broughton

But the nation (somehow) has survived,
And Broughton (perhaps) has actually thrived
Despite the deep traumatic shock
Of losing the northern part of ourselves
And a nationally recognized principal.
Who can tell how things will go
After another ten years or so?
Will "Broughton" or "Sanderson"
Assume top place?
Does it really matter?
They are both one, in an overall sense;
Names, like buildings, are mortal.
The basic institution is not.

Conclusion—A Jingle for Graduation Day, 1969
As we complete twelve years of school,
Each a sophomore, a wise fool;
We hope that we can pull it off
To soon become less *more* than *soph*.

Todd Turner made a touchdown-saving pass catch in the fourth period that would have turned the pro receivers green with envy. Bulus Roper broke through one time to throw Turrentine for an eighth loss on an exceptionally brilliant individual effort.

But in the final analysis, it was the team with the depth and the one that has been consistently good throughout the season that prevailed.

The Bulldogs win the Eastern title although technically they could end up in a woo-lost tie with Wilson. However, they have beaten

Broughton Ends Worst Season Ever

Caps Go Deep to Nip Blues

By PAUL V. PHILLIPS JR.
Times Sports Writer

Broughton High had to reach down deep here last night to pull off a thrilling 10-7 decision over the bag against a determined Little Blues of a Ligon football team.

It took a 25-yard field goal with 54 seconds left in the game by Broughton's Mike Morgan to put the Caps on the left side of the ledger. It was Morgan's first field goal. He missed one previous attempt against Jacksonville.

And before that it took a aerial to Sonny Bass in the dramatic Robbie Correll dying minutes to set up the kick.

"We were ahead at the end and that's what counts," said Stuits.

"I thought Ligon played a fine football game. They didn't make many mistakes and they have some mighty good tough game and that's exactly what it was."

This was the second meeting of the two schools. Last year the Caps rolled to a 43-0 decision. This time it was a different story.

"It was just one of those things," said a dejected Ligon coach Coach Pete Williams. "We came so close. That pass did it, it was a fluke."

a game of marked determination by both teams. "We had no other choice," said Stuits, who added, "The third down we ran for the middle."

I didn't think we played exceptionally well, but I am sure this McNeil was tough for them in the line like we are. We knew about a real hard fight and Adcock did a

fine job. There is no question they are much better than last year," the Cap coach added.

Stuits cited the runnings of Carter and the defensive work by end Larry Jones as the outstanding ones got three times in a row in one series.

I think I did a good job for us in the secondary," he added. The Little Blues got a fine effort up front from McNeil along with Alton Watson,

Broderick Rogers, Baldwin, to name a few.

Broughton's victory, their wins over 20 teams, will allow them to play a 4-A schedule Saturday night.

Saverson doesn't play alone.

Winning the mythical title this year was hardly for the Caps. They have come from behind to nip the Little Blues, 24-1, meet them in their next outing.

Goldsboro Beats Broughton, 28-7

A major earthquake struck the area Sunday morning. The quake measured 3.5 on the Richter scale. It caused minor damage to buildings and power lines. No injuries reported.

The Broughton Caps were down by their last goal before they backed to the wall before pulling out one over rival football on Monday night.

Playing at Friday night rainout, the Caps were before Robbie for a sure tie before Morgan ed up on a desperation kick down pass and Mills scored the winning 25-yard field goal with 54 seconds to play.

Ligon which moved the Broughton freely against the tacked up defenders through the scoring center put a dagger to Morgan's

Laws real estate on the second half. They cut one score point, the Ligon point, the Broughton left the Caps with top record and 3-7 overall.

Wingback Ricky Pre was the main villain in touchdowns as he scored twice to pace the first quarter when F line and Toby Harrell tied one of four perfect ex-

Features

The crabapples hang low in waiting—
(Sometimes they swing and fall
And lie upon the ground
Until by chance, some careless foot
Knocks them down a hill.)
The night has watched over
The day gone past
Yesterday lies wet, lies cool
Upon the wide stone steps
And greets each wistful one
Who looks upon the tower in all its power
The morning holds our minds
Today we fall in love with yesterday,
Acclaim its gifts, and bless its vision.

February 14, 1969—Queen of Hearts

Twelve pretty girls. A dreamland garden of pink and blue flowers. Beautiful music. A paradise at Broughton High School. Put them all together and they spell Queen of Hearts!

And the theme for this year's Queen of Hearts Dance was "There's a Place for Us!"

On Valentine's Day the queen and her court were presented in assembly and on February 15, the pretty girls, the dream garden and the background music Honored at the Queen of Hearts Dance.

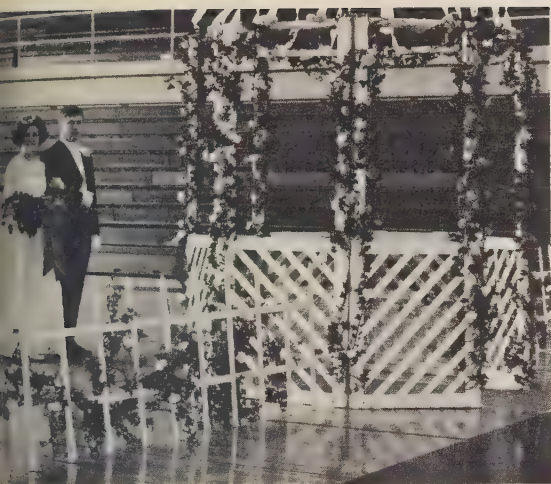

Queen Susan Weathers was escorted by the senior class president, Rhody Dillon. Sara Ann Newbold, the maid of honor, was escorted by Toddy Turner, another senior.

The other 10 members of the queen's court and their escorts were Connie Graham with Landon Moore, Amy Everette, with Jim Piland, Kathy Matthews with Jimmy Branch, and Winnie White with Sammy Anderson, seniors; Debra Dodd with Fred Morelock, Lindsey Hallwood with Harry Watkins, and Susan Milner with Garland King, juniors; Ann Oliver with Preston Ruth, Jane King with Zack Bacon, and Nancy Willard with David Dupree, sophomores.

Winnie White adjusts tie of Sam Anderson.

Mascots for the ceremony were Valli Corbin, Ruth Ellen Hodges and Kevin Anderson. At the assembly entertainment for the queen and her court included the Broughton Orchestra, the Broughton Ensemble, The Three Sharps and a Flat' Quartet and Jim Garrison's folk group. Others participating were Ellen Betts, Beth Otwell, Anne Davis, John Margeson, Van Carpenter and Tommy Broughton.

The hour-long presentation of the queen and her court was highlighted when Rhody Dillon crowned the queen, kissed her and sang "Portrait of My Love."

"Strangers in Paradise" was sung by Mary Lin Griffin, Darryl Moffett, and the Renaissance. A dance band played "Mood Indigo" and "Basin Street." Further entertainment were furnished by Curtis Campbell and Jimmy Bedrick.

Brenda Ray and Marti Ward were chairmen of the of the decorations committee, chose not to use the traditional red and white Valentine colors but pink, blue and white.

Raleigh's "Chasers Combo" played for the dance from 8 till 11 p.m.

I AM

I am but a building
stone . . . and steel . . . and wood.
I was born of man for man—
an institution.
I am dedicated
to the torch of learning.
I have little to offer
but much to give.
I am known by many names—
“school” . . . “dungeon” . . . “alma mater.”
I am large
but my hearth burns brightly.
I am hated, loved, despised, and revered.
I am cruel, yet kind,
ugly yet beautiful.

I am people—
mortal . . . human . . . dispensable.
I am composed of fear, love, envy,
humility, and competition.
I am friendship and brotherhood.
I am geniuses, braggarts, clowns,
and fools.
Through my doors have passed many—
some with tomorrow's potential greatness.

But most of all, I am you—
the common person.
Without you, I am forever doomed
to Today.
With you comes my Tomorrow . . .
a new life . . . a new world.

Soon I will be gone.
Only bricks will remain—
bricks . . . and stone . . . and wood.
But I will linger on . . .
For I am you . . .
I am your memory, your life.
Still I have far to go

Tomorrow is another day,
and long it will be before I rest.
I am Broughton.

For Pennies,

you can really turn it on . . . and keep it on.

Penny shaves, penny shoe shines. Electricity makes it all possible.

With a penny's worth of electricity, you can shave every day for a year.

Or toast 40 slices of bread.

Or listen to a radio an hour a day for a week.

Fact is, today you can get about twice as much electricity for your dollar as people did 30 years ago.

Your electric bill probably isn't just pennies — but then think of all the lights you use, toast you make and TV you watch (not to mention clothes you wash, rugs you vacuum and teeth you brush.)

Electricity.

It's a real value, no matter how much you use or how you use it.

WE WON EVERYTHING . . . sounds like a "brag" doesn't it? Well, thats exactly what it is! Our students are the most important people in the world to us and when they do something well we feel like they deserve a big pat on the back and the priviledge of time "brag" a little too!

Now don't think winning is unusual at Troutman's . . . it's not. Every member of our staff was selected because of their training, understanding of students, and their ability to train our students in superior skills in hair styling. With the staff and facilities we have at Troutman's we expect winners.

Remember, this year's winners are from a new class at Troutman's. The tensions as well as the competitive spirit felt in this contest are as new and fresh to these winners as it was to the first class entered by Troutman's. Should you and someone you know be considering a career in the beauty profession, we invite you to come by and visit us anytime.

CHARLES TROUTMAN
Instructor and
General Manager

Mr. Troutman started in the beauty and hair styling profession in 1952 after having been reared in and around beauty schools and salons all of his life.

Charles is Vice-President and General Manager of Troutman's College of Hair Styling, Inc. of Raleigh; President of Beauty Services, Inc. of Raleigh. In 1961 he served as Vice-President of the N. C. Schools of Cosmetology Association and was elected to the Presidency of the same organization in 1962 and re-elected in 1963.

He has been teaching beauty culture and hair styling for a number of years, specializing now in the teaching of hair coloring, cold waving and the histology of the hair.

JUDY TROUTMAN
Instructor and
Assistant in Management

Judy has eleven years experience in Beauty Culture. She has attended Bruno's School of Advanced Training in Toronto, Canada, International School of Advanced Hair Styling for three years in Miami, Florida and Permanent Wave School in South Caroling. She has also studied Advanced Styling at the Robert Fiancee Institute of Hair Styling in New York City.

Before moving to Raleigh she was part owner of a beauty school in North Carolina and owned and operated her own beauty salon for three years.

Her training has also included many management seminars and institutes in the south-east. She has her manager's diploma.

ESTHER BUFFKIN
Instructor and
Styles Director

Mrs. Buffkin has been a registered cosmetologist for ten years. Her training includes Advanced Hair Styling study and work in Atlanta, Georgia, New York and Pivot Point International in Chicago, Illinois. Winning awards and trophies for her hair styling ability has been her pleasure on many occasions.

Her excellence in instruction is reflected in the twenty-nine awards received by her students in 1967. Of the awards received by Mrs. Buffkin's students are included two national and two international awards.

Mrs. Buffkin conducts and instructs a special class each Monday in Advanced Hair Styling for registered hair dressers, in addition to her other responsibilities at our school.

BETTY ROYAL
Instructor

Betty has been a registered cosmetologist for eight years. Since taking her basic training here in North Carolina she has taken her Instructors Training at The Advanced Academy of Michael Angelo's in Jacksonville, Florida, working under his leadership for four months. She has had advanced hair styling training under several members of national and state hair fashion committees. It has also been her pleasure to take special coloring classes under the direction of several well known color technicians.

Her experience and training also includes four years as an instructor and managing one of the leading beauty salons in Raleigh before joining our staff.

BEVERLY FRENCH
Registrar and
Student Counselor

Miss French worked for over three years as a supervisor-counselor with the Neighborhood Youth Corps in New Bern, N. C. before joining our staff at Troutman's. She is experienced in recruiting and counseling youth between the ages of eighteen and twenty-five.

Her understanding of the need for guidance and the ability to motivate those with a purpose is another reason why we at Troutman's claim our school is "Dedicated to People With a Purpose." Excellence in instruction . . . Excellence in student performance is to be expected at Troutman's.

Miss French's studies include work through East Carolina University, Greenville, N. C.

From the Editor . . .

Another year has passed, and another page in Broughton history is written. Forty years ago no one dreamed the auditorium would contain 18 classrooms which would burn in a fire in February of 1969. In 1931, surely none of the 88 graduating seniors ever perceived that the graduating class in 1969 would contain 525 seniors.

Many "happenings" occurred this year. Broughton again sports a student lounge, this time complete with psychedelic wall and juke box. Broughton housed its offspring Sanderson for three months. Sixteen new cement benches were spaced around the campus. Enough parking places were left for sale to juniors.

Yes, 1969 has been a memorable year. LATIPAC '69 has tried to compare and contrast Broughton and the present with Broughton and the past. As you turn the pages of your LATIPAC, you will gain insight into Broughton's history as well as reliving the events of this year.

LATIPAC '69 could not have been created without the cooperative efforts of many. First of all, the LATIPAC staff is indebted to the assistance of Miss Laura Helen Paschal. Her many years as advisor to the LATIPAC staff enabled her to give constant assistance accompanied with unending patience. She has seen the changes that have taken place at Broughton through the years and was able to contribute much information.

Among the many others who helped in creating

LATIPAC '69 include: Mr. Burnie Bachelor for the innumerable pictures taken on cold wintry mornings sometimes involving fifty or more students.

Mr. Paul Hoch, Mrs. Vivian Hagwood and Mr. Jeff Hill from Edwards and Broughton, who helped make our ideas for LATIPAC '69 a realization.

Delmar Studios for diligently taking all the Sophomore and Junior portraits.

Smith Studios for excellent work with Senior Portraits.

Carl Freedman for helping with the epic poem portraying Broughton's history.

Students in Mrs. Porter's typing class who worked many hours typing copy.

Deedee Thiem, the business manager, who helped with many ideas.

Journalism students who solicited ads from Raleigh merchants, helped in identifying pictures, and much the tedious work.

And my family and friends for their optimism, encouragement, and help.

Working to create LATIPAC '69 has been, at times, a trying job; however it has been an experience which holds innumerable memories for me. As you turn the pages of your LATIPAC, I hope you all feel as I do—proud to have been a part of a page in the history of Needham B. Broughton High School.
